

CHAMBER CONNECTIONS

April 2021 | Local Business Here for You

ARE A CHAMBER MEMBER YET?

Are you a business or organization that would love to be more involved in the community and reach out to your customers?

You can be featured in our monthly newsletter, our website, and social media accounts. Also, you can receive updates on leadership programs and opportunities.

We are always accepting new members and wish to serve you in the best way possible with fees starting as low as \$10/month.

Talk soon!

APRIL is here!

Welcome to this month's edition of the 'Chamber Connections' newsletter, brought to you by the Kingman Area Chamber of Commerce. As you flip through the pages, you'll find valuable resources – and probably will learn something new – about your community! Keep reading to see what the month of April promotes and brings awareness to.

Month of Hope - April is known as the 'National Month of Hope.' What does this mean? Do kind services and acts to lift the spirits of others. Whether this is complimenting a stranger or helping a loved one through a difficult time, small, simple acts such as these can spread joy to someone's day.

Have you ever thought about being a volunteer? The Kingman Community Hospital has a community garden where you can plant fruits and vegetables for those in our area. Youth Core Mentoring is always looking for amazing individuals to take the lead and fill the position of being a mentor. The local foodbank located at the First Presbyterian Church helps those in need and is open Wednesdays and Fridays from 1-3 pm.

Lawn & Garden Month - By spring, we are ready to get outside and enjoy the weather. This is the perfect time to start cleaning up your lawn and start decorating. If you're in need of supplies, you can find tools at Kingman Hardware, Dixon's Hardware, and Fisher Lumber. As far as flowers and greenery go, stop by White's Foodliner, Fisher Lumber, and Southwestern Nurseries to pick out the best ones for your landscape!

CHAMBER UPDATES

NEW EQUIPMENT

For years, the monthly 'Chamber Connections' was only available in a digital format. In recent months, the Chamber board agreed to allow the printing of the newsletter so members can reach more individuals in the community.

Printing services were outsourced. With new equipment, we are now able to print and assemble copies straight from our office.

Printed can be found at various locations in Kingman for your viewing pleasure at the start of every month.

CHAMBER MEETINGS

The Chamber Board of Directors meets on the first Wednesday of every month at 5:30 pm in the conference room, located at the Kingman Armory. Meetings are open to the public.

If you would like to attend or to be added to the agenda, please contact us at (620) 532-1853 or the-kingmanareachamber@gmail.com

Another monthly calendar has already been created and published! An updated list of rentals at the Kingman Armory is now available to view on our website www.kingmancc.com/armory-rentals

Chamber Member Spotlight

This chamber member spotlight features **K-Town Wine & Liquor**.

K-Town Wine & Liquor is owned by Dave and Vicki Harbert, Joe and Darla Harbert, and Leslie Schrag.

Tell us a bit about your business.

"K-Town Wine & Liquor is a retail and wholesale liquor store with a wide selection of beer, liquor, and wine. We also carry mixers, custom gift baskets, glassware, bar accessories, books, novelty items, and CBD products."

What is your target market?

"Our target market is anyone (over 21 years of age of course) looking for outstanding customer service and a unique atmosphere when purchasing libations for themselves or as a gift."

What got you interested in the alcohol industry?

"Many of life's celebrations include a drink, and we wanted to add some fun to the process of purchasing those drinks."

Since starting your business, what has been your biggest win or challenge?

"Our biggest win has been the ability to increase our sales even with new competition from big box stores. Many liquor stores closed their doors when large retailers began to sell higher alcohol content beer. We saw an opportunity to be creative in our product offerings, and it has worked for us."

What makes you stand out from competitor?

"K-Town is a destination liquor store. We carry a wide variety of products unique in Kingman. We periodically host tasting events and offer promotional giveaways. Our customers enjoy their time in our store, turning what is typically a mundane purchase into a fun experience."

What are your personal goals for K-Town Wine & Liquor?

"Our current goal is to expand our product offerings to our customers. We want to be a place for wine and cheese, beer and tailgating supplies, and liquor and accessories needed for the home bar."

Helpful Tip:

When buying beer for large events like weddings—ditch the keg! Not only is packaged beer cheaper, it offers flexibility in variety and does not require a deposit or second trip to the store to return the keg.

To see their selection, or take advantage of their 10% off all wines deal every Monday, shop at 121 East Avenue A in Kingman.
