OCTOBER is here!

Welcome to this month's edition of the 'Chamber Connections' newsletter, brought to you by the Kingman Area Chamber of Commerce. As you flip through the pages, you'll find valuable resources – and probably will learn something new – about your community! Keep reading to see what the month of October promotes and brings awareness to.

National Newspaper Week - From October 3rd to the 9th, it is National Newspaper Week. It's amazing to think that newspapers have been around since the mid-1700s. We are fortunate that both Kingman and Cunningham have newspapers published weekly to keep up informed and up to date in current events. Are you subscribed to the Kingman Leader-Courier and/or The Cunningham Courier yet?!

National Chiropractic Month - During the month of October, our chiropractic professionals receive some special recognition! Going to the chiropractor on a regular basis helps to reduce muscle tension, restore function to your whole body by adjusting the spine, and you'll end up leaving feeling relaxed and de-stressed. Schedule your appointment with Rudy Sasina at Kingman Chiropractic Center today!

National Hair Day - October 1st is National Hair Day! Have you been needing a touch up or want a whole new look? Kingman has options to choose from such as Bombshell Studio, Polished Coupe Salon & Brewtique, and Xperience Salon & Massage. Book your appointment soon because they fill us FAST!

National Taco Day - October 4th is National Taco Day! Can you say, YUM?! Get your fix by stopping by Cancun Mexican Grill, Cleo's, or Jeri's Kitchen.

National Breast Cancer Awareness Month - October is popularly known for bringing about the awareness of breast cancer — what signs to look for and how to prevent it. If you ever have concerns or feel that you should get looked at, please contact a medical professional in the area — Advanced Mobile Healthcare & Community Clinic and/or Kingman Healthcare Center. At Kingman Healthcare Center, they also have the equipment and staff to provide you with your routine mammogram.

National Clergy Appreciation Day - October 10th is National Clergy Appreciation Day! Is there an individual you know that has always provided church service with strong leadership and passion? Thank you to everyone at Kingman Christian Church, Kingman Church of Christ, and Kingman United Methodist Church, and Youth Core Ministries for all of your hard work and drive to making a difference our community!

TRICK OR TREAT STREET

We are so excited to announce the official date for this year's Trick or Treat Street - Friday, October 29th from 3:30 to 5:00 pm!

Trick or Treat Street is an event KACC puts together that allows our members to hand out Halloween treats to our local youth right after school on Main Street.

NEW KINGMAN BROCHURE

Kingman Area Chamber of Commerce have been diligently working behind the scenes to create a brochure to feature it's members and promote what all Kingman has to offer.

All KACC's member business and organizations are featured in this exclusive brochure. The next step is to distribute copies around locations in Kingman, Pratt, Goddard, and surrounding areas.

A list is also being made of cities in Kansas that would allow the brochure to be displayed at their city hall and/or local courthouse.

The goal is to encourage out of town individuals to visit Kingman, all the while giving first priority to our members. The brochure is planned to be updated at the beginning of each year to keep it current as members and their information changes.

NEED A VENUE?

The Kingman Area Chamber of Commerce also helps to run and maintain the Kingman Armory.

This historical site is a fantastic place to host upcoming events and weddings!

Those were my initial health results, and this company gave me the opportunity to share about this system and make my initial investment back plus much more by building relationships and working from anywhere!
